

SUMMER BALL 2022

Auction Sponsorship Opportunities in aid of The Lighthouse Club and Winston's Wish

Tablet Based Auction Lot Sponsorship

Delivered via table based technology, the HQR Summer Ball will run an auction on the night raising money for The Lighthouse Club and Winston's Wish. We are looking for sponsors to a range of lots available, as detailed overleaf.

By sponsoring an auction lot, you will ensure that every penny raised on your item on the night reaches our charities.

Your chosen Lot will be accompanied by your company logo to provide advertisement and to showcase your generosity. If you would like to sponsor a Lot, please contact Kelly Gower (kelly.gower@hqrlondon.co.uk) with your chosen lot cost, which will then be allocated, subject to availability.

Donated Auction Lots

We are also keen to hear from companies / individuals who are able to offer their own Auction Lot.

Alongside the tablet based auction, we also plan to run a small live auction on the evening with 3-5 high value lots which we hope will maximise the charitable donations received by generating bidding wars between attendees on the night. We are therefore looking for donations of lots with the aim of each raising at least £3,500 for charity.

Previous event lots have included; all-inclusive spa breaks, trips abroad with cultural excursions, corporate hospitality packages at Lingfield and Ascot, one-off art pieces and custom made suits.

As a lot sponsor, you will be responsible for providing full details (including limitations/terms and conditions) of your prize and high quality images and a creative write up for the event brochure and TV screens. In return, as well as the obvious charitable giving aspect of your donation, your auction lot will be listed in the printed/tablet based literature, as applicable, alongside your company logo. If your lot forms part of the live auction, the compère will be sure to announce your support when introducing the particulars on the evening too.

Auction items that generate intense demand are usually unique and highly desirable. We would be delighted to hear from you if you would be interested to sponsor one of HQR's 2022 live lots.

Please Note: The deadline for registration of interest to supply an auction lot at this year's event is 13th May and full lot details must be provided by 20th May. Any experiences that are date specific, must be offered for redemption after 25th August 2022.

Please contact Kelly Gower to register your interest asap (kelly.gower@hqrlondon.co.uk).

SUMMER BALL 2022
